November News

There's a chill in the air and we're enjoying the changes that fall brings! In our preschool classroom we've been exploring bright orange pumpkins, bumpy gourds, and harvest-themed activities. We are learning so many new things while having fun playing with our friends! As the holidays approach, we will continue with fall themes: exploring multi-colored leaves, being thankful, turkeys, etc.

Fall Break is almost here and Pepper the hamster, the hermit crab, and/or fish would love to be your house guests while we're away from the classroom. If your family is interested in caring for a pet from 11/22- 12/02, please let us know by signing up on the clipboard next to the sign-in binders. We provide all of the supplies.

As the weather turns colder, and more unpredictable, please send your child to school with a coat or jacket every school day. We will be going outside to play, unless there is extreme weather.

We are THANKFUL for your wonderful children, and such supportive families!

Happy Fall!

Angie and Brenda
